

GRADUATION DAY

AECS Magnolia Maaruti Public School celebrated its annual Graduation Day, Au Revoir 2025–26, on Monday, 1st December 2025, to honour the outgoing students of Grades X and XII.

The ceremony commenced with a soulful invocation and the traditional lighting of the lamp, symbolising wisdom and new beginnings. Director and Principal, Dr. Seema Goel, addressed the gathering with an inspiring message, encouraging students to uphold strong values, think creatively, and embrace innovative approaches as they step into the next chapter of their academic journey. Her meaningful words and real-life reflections deeply resonated with everyone present.

A special Oath-Taking Ceremony was conducted, where the graduating students pledged to uphold integrity, compassion, respect, and responsibility—values that form the foundation of the school's ethos. This solemn moment added significance to the evening and reminded students of their role as responsible future citizens.

Teachers and students shared heartfelt memories, creating an atmosphere filled with nostalgia and pride.

Vibrant cultural performances by students of Grades IX and XI added charm to the celebration. The event concluded with a group photo session and a celebratory lunch, bringing together the entire school community in a spirit of joy and togetherness.
