A proud moment for AECS Magnolia as our student shines on a global platform with his path-breaking AI project.

Class 9 student among top 50 changemakers at UN summit

Vrishank Manish, a class IX student from AECS Magnolia Mauruti Public School, Ahera, represented India as one of the 'Top 50 Global Changemakers' at the ninth annual 'One Billion for One Billion (IMBIB) Impact Summit' held at United Nations in Geneva, Switzerland, Nov 7.

Earlier this year, Vrishank was recognised as one of the 'Top 50 Changemakers' from Bengaluru. He presented his project to the chief secretary of Karnataka Shalini Rajnesh at Vidhana Soudha on Sept 11.

✧ From Struggles to Success: A Parent's Story ✧

Dear Parents,

We are pleased to inform you that an exclusive offline session is being organized at AECS Magnolia Maaruti Public School on 6th September 2025, between 9:00 am and 10:00 am.

The session will be conducted by our alumni parent, who will share her inspiring journey of overcoming the challenges of parenting a child who was restless, distracted, and lacking in

writing skills. Like many parents, they questioned themselves and worried about his future. They learned to adapt, advocate for him, and provide both freedom and structure. What once felt like a struggle gradually became a rewarding journey of growth for both him and the parents. His passion for learning blossomed into a commitment to environmental sciences, leading him to pursue higher studies at North Carolina State University. Today, he charts his path with confidence; the early struggles shaped his resilience, and the nurturing unlocked his true potential.

During the session, the parent will highlight the importance of parenting in a child's growth and success and what helped them bring him up as a successful and confident individual.

Want to know how you too can support your children and help them grow? Kindly register through the link below to confirm your participation.
